

PROLINER WELLNESS

BOOK DE OBRAS Y MUESTRAS DE LINER

Quienes somos

En Proliner Wellness nos dedicamos a la reforma y sustitucion de liners de piscina, trabajando con las principales marcas del sector: Waterair y Desjoyaux. Cada proyecto que encontraras en estas paginas es una obra real, ejecutada de principio a fin por nuestro equipo, en piscinas familiares de toda Espana.

Cuidamos cada detalle: vaciado y preparacion del vaso, eleccion del color y textura del liner, e instalacion final, para que el resultado dure y luzca como el primer dia. En este book encontraras una seleccion de nuestros trabajos realizados y del muestrario de colores y modelos de liner disponibles.
